

WHAT

The Gap Year Association is proud to share membership opportunities for Educators, High School and College Counselors.

WHY

COVID-19 is changing the landscape of higher education and as more students explore gap year opportunities, the Gap Year Association is proud to support your work with prospective and new gap year students.

CORE BENEFITS

Regular virtual forums with gap year experts for Q&A as COVID-19 drives an increasing demand. Stay informed and up-to-date!

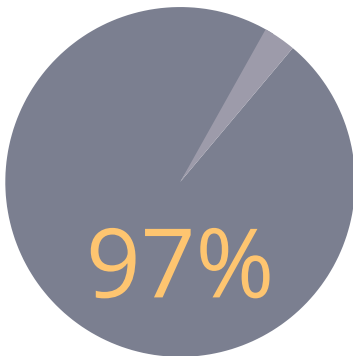

Educator Membership: \$25 Per Year/Individual:

Teachers, professors, public high school counselors, experiential educators, and any instructor of students who wants to be an informed advocate of the gap year.

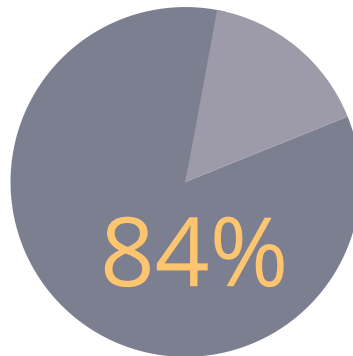

*In the past year,
GYA pageviews have
increased by 28.85%*

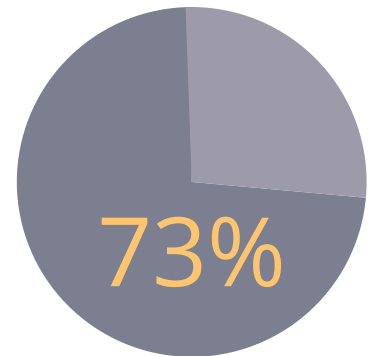

Gap Year Alumni Overperform in GPA All Four Years of Their Undergraduate Career

Of gap year alumni felt their gap year increased their maturity

Of gap year alumni said their gap year helped them acquire skills to be successful in their career

Of gap year alumni said their experience "increased their readiness for college"
